GENEROSITY IN ACTION 2017

EDMONTON COMMUNITY FOUNDATION

Introduction

Welcome to *Generosity in Action 2017* where you will find Edmonton Community Foundation's financial highlights from the past year. This report shows more than just the numbers. In conjunction with our *Legacy in Action* magazine, you will see how we connect our donors with the Edmonton community to help weave the social fabric of our city through their generous support. From arts and education to health and wellness, *Generosity in Action* is a celebration of our donors' vision of a great city.

Through our donors' generous support, ECF was able to grant more than **\$24.6** million in 2017. Here are a few of the organizations ECF was able to help:

 Alberta Helping Animals Society (AHAS) received \$77,558 for a Community Co-ordinator.

The Community Co-ordinator will provide information about the Inner-City Pet Food Bank, set up home veterinary visits for vaccinations or spay/neuter procedures, and provide support during emergencies. The bond between people and their pets can be extremely healthy for people, particularly those living in stressful circumstances. This project will connect with low-income people, people on Assured Income for the Severely Handicapped (AISH) or other forms of social services, or people living in unhealthy situations.

- WINGS of Providence Society received \$20,317 for Mattress Replacement.

 Bed bugs have become a major concern in Edmonton and are especially a challenge for shelters. This grant will support the purchase of 96 new mattresses, with mattress covers, to outfit every bed at the Women in Need Growing Stronger Shelter.
- Youth Empowerment and Support Services (YESS) received \$77,633 for a Trauma Therapist and a new trauma therapy program. YESS, in partnership with Momentum Walk-In Counseling, will hire a full-time trauma therapist to treat the effects of trauma that all youth who access YESS's services have experienced. The therapist will be located at the daytime resource centre, allowing youth access on their terms and in a safe and supportive environment. Therapy will enable them to focus on goals such as finding employment, gaining permanent housing, or completing school.
- United Way of the Capital Region's All in for Youth received \$100,000 in 2017 and will receive \$100.000 in 2018 and 2019.

This Edmonton-made initiative focuses on getting children and youth successfully through their education to high-school graduation. This model addresses the complex needs of children, families, schools, and communities from the perspective that no single approach or short-term intervention will be enough. All in for Youth brings together programs and services in a new way to help every child achieve their very best. Supports include mentoring, nutrition, success coaches, therapy, and circles of support. Information about the highest-need children is shared among agencies so child and family strengths can be built on strategically. A key tenet is that long-term commitment is required to break the multi-generational impacts of poverty.

For a full listing of our 2017 grants please visit our website for "Granting in Action."

Last year ECF grew to **\$562.50 million** in assets including **87** new funds. This is an incredible investment in the future of our community. A full donor listing booklet is also available on-line.

These funds are stewarded by ECF's board, investment counsellors, and staff. You can find all our funds listed throughout this booklet.

If you would like to review the full set of financial statements or any of our documents, they are available on our website, or if you do not have internet access we would be happy to mail them to you. Just give us a call.

Smart and Caring Community Funds

By making a gift to ECF's "Smart and Caring Community Funds," donors support emerging and priority needs in our community. ECF's board, with advice and support from staff and advisory committees, allocates amounts to support the community priorities in arts, culture and heritage; education and learning; health and wellness; community and social services: recreation and leisure: or the environment.
